

VERDURA RESORT: PRIVATE YACHT EXPERIENCES WITH MIKASA LUXURY

Discover the best of Sicily in absolute comfort and privacy with the new exclusive yacht service

Verdura Resort, a Rocco Forte hotel in Sicily, is pleased to launch an exclusive yacht experience in partnership with *Mikasa Luxury*. Guests can discover the stunning Sicilian coast from the sea and experience the magic of the island in total privacy, comfort and a touch of glamour.

A private transfer will allow guests to easily reach the nearby port of Sciacca, where they will board an elegant 18-metre Aicon 56 Flybridge to start a journey filled with breathtaking landscapes and turquoise waters. Excursions include one day or half-day options and reach fabulous destinations such as Scala dei Turchi, a rocky cliff on the coast of Realmonte; Selinunte, an ancient Greek city on the south-western coast or the wonderful Egadi Islands, a group of five small mountainous islands in the Mediterranean Sea.

The private yacht experience can be booked through the resort concierge and includes: welcome drinks, a skipper, hostess service, round trip transfers to embarkation/disembarkation from/to Verdura, non-alcoholic drinks and fruit on board, beach towels and petrol.

Those looking to take it up a notch can bring one of the resort's talented chefs on-board for a journey fit for the biggest foodies or a private spa therapist for extra pampering and an invigorating experience.
